FALL 2024/SPRING 2025 SCHOLARSHIP INFORMATION

The Chipola College Foundation scholarship list for the 2024-2025 school year is anticipated to be posted by May 1, 2024. The scholarship list will outline more than 150 different scholarship opportunities that will result in several hundred scholarship awards. The application process is transitioning to an online system and staff members are working with the software company to finalize the conversion. Once the new site is live and ready to accept applications, the link will be added on the Chipola College Foundation webpage.

In order to apply for scholarships through the Chipola College Foundation, students will first have to apply for admission to Chipola College to receive an official Chipola student number and Chipola email address in order to access the scholarship application form. Students are encouraged to apply as soon as possible for college admission in order to receive the Chipola email and student id number in time to apply for scholarships.

The McLendon Educational Trust Scholarship is awarded by the semester and will also be changing over to an online application process for the Fall 2024 semester. It is anticipated that the McLendon Educational Trust Scholarship online application for the Fall 2024 semester will also be released by May 1, 2024 and the link to the application will be posted on the Chipola College Foundation webpage.

For the 2024-2025 school year there are some external scholarships that because of earlier application deadlines cannot be applied to using the online application software. These external scholarship applications will need to be mailed directly to the off-campus scholarship committees or submitted to certain high schools' guidance counselor offices by the dates indicated in the scholarship descriptions. You will need an application and send the completed applications and required attachments to the addresses provided. The description will indicate if there is a special application required and a link is provided with the special application. A few of the scholarships have specific applications that are only available at the high school guidance offices indicated in the descriptions. Please click on the **External Scholarships** button on the Chipola College Foundation webpage www.chipola.edu/foundation to see this list of scholarships.
